SISTERS AT SEA

In February 2027, we're bringing something totally new to the Caribbean, and we want you to be there when it happens. All four of our Lady Ships — Scarlet Lady, Valiant Lady, Resilient Lady, and Brilliant Lady — will meet at sea for the very first time. Not docked. Not staggered. Together. On the same horizon.

This is Sisters at Sea, a fleet-first Caribbean rendezvous designed as a singular, bucket-list moment you won't want to miss. And yes, Virgin founder Richard Branson will be there, making an appearance on each ship as we bring the entire Virgin Voyages family together for a celebration that's equal parts history-making and high-energy.

This isn't just another sailing. It's a full-fleet party at sea like nothing the Caribbean has seen before.
